### Executive Order 54 (2007)

#### **DECLARATION OF A STATE OF EMERGENCY TO ASSIST ROCKBRIDGE COUNTY AND THE TOWN OF GOSHEN DUE TO A CRITICAL WATER SHORTAGE**

On June 20, 2007, I declared a state of emergency to exist for the County of Rockbridge and the Town of Goshen to assist these localities in responding to a critical water shortage, which began on June 14, 2007. In accordance with § 44-146.17, the Commonwealth will provide resources and assistance to the fullest extent possible as needed to assist with measures that may be needed to deal with the water shortages.

Therefore, by virtue of the authority vested in me by § 44-146.17 of the *Code of Virginia*, as Governor and as Director of Emergency Management, and by virtue of the authority vested in me by Article V, Section 7 of the Constitution of Virginia and by § 44-75.1 of the *Code of Virginia*, as Governor and Commander-in-Chief of the armed forces of the Commonwealth, and subject always to my continuing and ultimate authority and responsibility to act in such matters, I hereby confirm, ratify, and memorialize in writing my orders issued June 20, 2007, that a state of emergency exists and direct that appropriate assistance be rendered by agencies of the state government to respond to the needs in Rockbridge County and the Town of Goshen to alleviate adverse conditions created by the water shortage. Pursuant to § 44-75.1.A.3 and A.4 of the *Code of Virginia*, I direct that the Virginia National Guard be called forth to state duty to assist in providing such aid. This shall include such functions as the State Coordinator of Emergency Management, the Adjutant General, and the Secretary of Public Safety, may find necessary.

In order to marshal all public resources and appropriate preparedness, response and recovery measures to meet this potential threat and recover from its effects, and in

accordance with my authority contained in § 44-146.17 of the Emergency Services and Disaster Laws, I hereby order the following measures:

- A. The limited implementation by agencies of the state and local governments of Volume 1 (Basic Plan) and Volume 2 (Disaster Recovery Plan) of the Virginia Emergency Operations Plan, as amended, along with other appropriate state agency plans.
- B. Limited activation of the Virginia Emergency Operations Center (VEOC) and Virginia Emergency Response Team (VERT) to coordinate the provision of assistance to the impacted localities. I am directing that the VEOC and VERT coordinate state operations in support of this emergency declaration, other mission assignments to agencies designated in the Commonwealth of Virginia Emergency Operations Plan (COVEOP) and other measures that may be identified by the State Coordinator of Emergency Management, in consultation with the Secretary of Public Safety, which are needed to provide assistance for the preservation of life, protection of property, and implementation of recovery activities.
- C. The authorization for the State Coordinator of Emergency Management, in coordination with the Virginia Information Technology Agency, and with the consultation of the Secretary of Public Safety, to assume control over the Commonwealth's state-operated telecommunications systems, making all systems assets available for use in providing adequate communications, intelligence and response capabilities for the event, pursuant to §44-146.18 of the *Code of Virginia*.
- D. The activation, implementation and coordination of appropriate mutual aid agreements and compacts, including the Emergency Management Assistance Compact (EMAC), and the authorization of the State Coordinator of Emergency Management to enter into any other supplemental agreements, pursuant to §§ 44-146.18(E) and 44-146.28:1 of the *Code of Virginia* to provide for the exchange of medical, fire, police, National Guard personnel and equipment, public utility, reconnaissance, welfare, transportation and communications personnel, and equipment and supplies. The State Coordinator of Emergency Management is hereby designated as Virginia's authorized representative within the meaning of the Emergency Management Assistance Compact, §44-146.28:1 of the *Code of Virginia*.

The provisions authorized in this paragraph may be discontinued by publication of administrative notice to all affected and interested parties by the Secretary of Public Safety, after consultation with other affected cabinet secretaries.

In addition to described overweight/over width transportation privileges, carriers are also exempt from registration with the Department of Motor Vehicles. This includes the vehicles in route and returning to their home base. The above-cited agencies shall communicate this information to all staff responsible for permit issuance and truck legalization enforcement.

This authorization shall apply to hours worked by any carrier when transporting passengers, property, equipment, food, fuel, construction materials and other critical supplies to or from any portion of the Commonwealth for purpose of providing relief or assistance as a result of this disaster, pursuant to § 52-8.4 of the *Code of Virginia*.

- F. The implementation by public agencies under my supervision and control of their emergency assignments as directed in the COVEOP without regard to normal procedures pertaining to performance of public work, entering into contracts, incurring of obligations, or other logistical and support measures of the Emergency Services and Disaster Laws, as provided in §44-146.28 (b) of the *Code of Virginia*. Section 44-146.24 of the *Code of Virginia* also applies to the disaster activities of state agencies.

- H. The activation of the statutory provisions in § 59.1-525 et seq. of the *Code of Virginia* related to price gouging. The Departments of Agriculture and Consumer Services and State Police are directed to take immediate action to address any verified reports of price gouging of necessary goods or services. The Office of the Attorney General and local officials are also requested to take appropriate action in this regard.
- I. The implementation of the highest possible level of water conservation measures by state agencies, consistent with public health and safety.
- J. The imposition of an open burning ban in the Town of Goshen, effective immediately and continuing until such time as it is lifted by the Secretary of Public Safety, upon advice of local officials.
- K. The following conditions apply to the deployment of the Virginia National Guard:
  - 1. The Adjutant General of Virginia, after consultation with the State Coordinator of Emergency Management, shall make available on state active duty such units and members of the Virginia National Guard and such equipment as may be necessary or desirable to assist in alleviating the human suffering and damage to property.
  - 2. Pursuant to §52-6 of the *Code of Virginia*, I authorize the Superintendent of State Police to appoint any and all such Virginia Army and Air National Guard personnel called to state active duty as additional police officers, as deemed necessary. These police officers shall have the same powers and perform the same duties as the regular State Police officers appointed by the Superintendent. However, they shall nevertheless remain members of the Virginia National Guard, subject to military command as members of the State Militia. Any bonds and/or insurance required by §52-7 of the *Code of Virginia*, shall be provided for them at the expense of the Commonwealth.
  - 3. In all instances, members of the Virginia National Guard shall remain subject to military command as prescribed by §44-78.1 of the *Code of Virginia* and not subject to the civilian authorities of county or municipal

governments. This shall not be deemed to prohibit working in close cooperation with member of the Virginia Departments of State Police or Emergency Management or local law enforcement or emergency management authorities or receiving guidance from them in the performance of their duties.

4. Should service under this Executive Order result in the injury or death of any member of the Virginia National Guard, the following will be provided to the member and the member's dependents or survivors:

- (a) Workers Compensation benefits provided to members of the National Guard by the Virginia Workers Compensation Act, subject to the requirements and limitations thereof; and, in addition,

- (c) The same benefits, or their reasonable equivalent, for injury, disability and/or death, as would be provided by the federal government if the member were serving on federal active duty at the time of the injury or death. Any such federal-type benefits due to a member and his or her dependents or survivors during any calendar month shall be reduced by any payments due under the Virginia Workers Compensation Act during the same month. If and when the time period for payment of Workers Compensation benefits has elapsed, the member and his or her dependents or survivors shall thereafter receive full federal-type benefits for as long as they would have received such benefits if the member had been serving on federal active duty at the time of injury or death. Any federal-type benefits due shall be computed on the basis of military pay grade e-5 or the member's military grade at the time of injury or death, whichever produces the greater benefit amount. Pursuant to §44-14 of the *Code of Virginia*, and subject to the availability of future appropriations that may be lawfully applied to this purpose, I now approve of future expenditures out of appropriations to the Department of Military Affairs for such federal-type benefits as being manifestly for the benefit of the military service.

5. Upon my approval, the costs incurred by the Department of Military Affairs in performing these missions shall be paid from available state funds.

Upon my approval, the costs incurred by state agencies and other agencies in performing mission assignments through the VEOC as defined herein and in §44-146.28 of the *Code of Virginia*, other than costs defined in Item 5 of the paragraph I above pertaining to the Virginia National Guard, in performing these missions shall be paid from available state funds. In addition, up to \$150,000 shall be made available for state

response and recovery operations with the Department of Planning and Budget overseeing the release of these funds.

This Executive Order shall be effective June 20, 2007, and shall remain in full force and effect until December 20, 2007, unless sooner amended or rescinded by further executive order. Termination of the Executive Order is not intended to terminate any Worker's Compensation or other federal-type benefits granted, or to be granted to any member of the Virginia National Guard due to injury or death as a result of service under this Executive Order.

Given under my hand and under the Seal of the Commonwealth of Virginia, this 20<sup>th</sup> day of June 2007.
